Mailbox

Would you like a prominent business address without paying the cost for an office? How about a receptionist to take care of mail and to sign for overnight packages? With the Mailbox Program, clients use the address of the executive suite as their own. Your mail is received at the suite and held for pick-up or forwarded to another location. Additionally, Mailbox Program clients have access to all business services provided at the suite on an as-needed basis.

Included in the Mailbox Program:

- Prominent business address for mail receipt and overnight package delivery
- Access to business support services on an as-needed basis
- Access to our conference rooms and private offices on an as needed basis

Virtual Office

To enjoy the benefits of a business presence in the prestigious TradeCenter 128 or Cummings Center landmark campus, without the full-time office costs, try the Virtual Office Program.

Included in the Virtual Office Program:

- Prominent business address and local telephone number
- 24/7 access to your private voicemail box
- Access to business support services on an as-needed basis
- Access to conference rooms and private offices on an as needed basis (16 hours each month in a private, furnished office included)

Telephone Answering

Premium phone services are available to keep our clients connected to their callers through screening, call forwarding, and call patching. Additionally, Telephone Answering clients have client access to all of the services of the suite and its staff.

Included in the Telephone Answering Program:

- 24-hour remote access to voicemail
- Access to conference rooms and private offices
- Access to additional premium call answering service
- A professional receptionist answering client calls
- Dedicated local telephone number and voicemail box in Woburn or Beverly, MA.

Virtual Office Premium

The Virtual Office Premium Program is designed for clients who need just a little more time in the office. The Virtual Office Premium Program is exactly the same as the Virtual Office Program with one exception: this program provides 40 hours each month in a private, furnished office (instead of 16 hours a month).
